BUSSINESS & RESIDENTIAL Application

Please allow 5 - 7 work days for your card replacement application to be processed. We recommend that you always write your pre-paid meter serial number down somewhere safe. You do not need a pre-paid meter card:

1. when purchasing pre-paid vouchers straight from us, and
2. when purchasing UniPin pre-paid vouchers from all the selected filling stations.

The cost for replacing your pre-paid meter card is R150,00 (including VAT). Your request will be processed as soon as we receive your proof of payment.
