

## Pre-paid Meter Purchase and Voucher Loading Instructions

### How To Load New Credit Tokens:

1	2	3
4	5	6
7	8	9
←	0	↵

Visit the nearest vending station in your area and supply the POS (Point Of Sale) operator with your 11-digit meter serial number.

Accept Button

To load new electricity, you simply enter the 20-digit voucher number you bought from the shop into your meter. Remember to press the accept button after you punched in the 20-digit number.

### Buy EasyPay Vouchers:

Customers may buy prepaid credit tokens online at [www.easypay.co.za](http://www.easypay.co.za). EasyPay retail shop purchase points include:

1. Pick 'n Pay outlets,
2. Shoprite Checkers,
3. Lewis Stores,
4. Vodacom containers (via Sandulela/Wired Loop),
5. Woolworths,
6. Boxer Superstores

You can also purchase prepaid electricity via your cellular handsets using VCpay™, the simplest, the fastest and the most secure way to pay. Visit [www.easypay.co.za](http://www.easypay.co.za) to find out more.

### Buy UniPin Vouchers:

You buy a UniPIN voucher and then redeem your prepaid electricity token by sending the UniPIN voucher and your meter number in an SMS to 41589. You can purchase these prepaid electricity vouchers at a conveniently located UniPIN vendor:

1. BP,
2. Sasol,
3. Shell,
4. Caltex,
5. Total filling station and at any Nedbank ATM.

For queries: SMS your voucher serial number and query to 43471 or email your details to [support@myunipin.co.za](mailto:support@myunipin.co.za)

### Buy Online Vouchers:

With Prepaid24 you can now recharge your prepaid electricity in the comfort of your home or office by doing an EFT (Electronic Fund Transfer). The safest and most cost-effective way to move funds!!!

1. No more surrendering your credit card details online
2. No more drawing large amounts of cash at an ATM

Visit [www.prepaid24.co.za](http://www.prepaid24.co.za) for more detail and to register your meter.

### Prepaid Meter Tampering:

Global International Meter Services is committed to providing you with a safe and reliable prepaid electricity supply. Tampering with the prepaid meter is not only dangerous - it is also a criminal offence!! Please take all reasonable steps to ensure that no-one tamper's (remove meter seals) or interferes with your metering equipment. If, during a routine inspection your meter is found tampered with, a R1 000,00 fine is payable to cover for traveling, labour and replacement costs prior to re-connection of your power supply.

**IMPORTANT:** Credit tokens (encrypted 20-digit number) printed on your voucher or SMS'ed to you, can only be used once and cannot be used for any meter other than the one for which it was requested.
